AFRIKA

EN Frame made of reinforced flanders pine wood; seat suspension by means of high-quality elastic belts. Solid metal legs; available finishes: nickel chrome matt or shiny finish, as well as customised RAL varnish (with surcharge). Cushions made of CFC-free polyurethane foam core, covered by a duvet filled with goose feathers. Fixed upholstery for the frame and removable for the cushions. Possibility to combine frame and cushion fabrics.

ES Estructura de madera de pino flandes reforzada; suspensión mediante cinchas elásticas de alta calidad en asiento. Pies metálicos macizos; acabados disponibles: tratamiento níquel/ cromo mate o brillo, así como lacado en RAL cliente (con cargo adicional). Cojines compuestos por alma de espuma de poliuretano libre de CFC y envueltos por edredón de plumas de oca. Estructura tapizada fija y cojines desenfundables. Posibilidad de combinar tapizados en estructura y cojines.
